And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

A By-law of The Corporation of the City of Dawson Creek (hereinafter called "the City") to Provide for the Acquisition of an Easement and to Authorize the Entry upon and the Use of Real Property in the City.

WHEREAS the Council of the City may by by-law enter upon, expropriate, break up, take, or enter into possession of and use any real property in any way necessary or convenient for extending any existing sewage system and may acquire easements and rights-of-way therefor pursuant to section 531 of the *Municipal Act*:

And whereas the Council deem it expedient to extend a presently existing sewage system and require, therefor, an ease-

ment over real property situate within the City and more particularly known and described as Parcel One (1) of Plan Six thousand four hundred and twenty-three (6423), South-west Quarter (S.W. ¼) of Section Fourteen (14), Township Seventy-eight (78), Range Fifteen (15), west of the sixth meridian (W. 6 M.), Peace River Assessment District:

And whereas the said real property is under the registered ownership of Aspol Motors Limited, Box 117, Dawson Creek, British Columbia:

And whereas the said registered owners, Aspol Motors Limited, have refused to contract the granting of an easement over the said properties required for the purposes aforesaid by the City:

And whereas certified copies of the plans and specifications of the said sewage work have been filed by the Council with the City Clerk, who, upon receiving the same, has issued a notice setting out the Council's intention to proceed with such work or undertaking and to enter upon and use the lands necessary therefor:

And whereas this by-law, before coming into effect, has been published once in the Gazette and in a newspaper published or circulating in the City:

Now, therefore, the Council of the City, in open meeting assembled, hereby enacts as follows:—

1. The Corporation of the City of Dawson Creek shall acquire an easement over and shall enter upon and use that certain parcel or tract of land situate, lying, and being in the City of Dawson Creek, Peace River Assessment District, and more particularly known and described as commencing at the north-west corner of Parcel one (1) of L.R.O. (hereinafter described as "the said lands"). The City shall acquire an easement over the said lands whereby the City as successors and assigns and as licensees and agents, servants, officials, and workmen at all times hereafter by day or night, at its will and pleasure, and advantage of the City as successors and assigns by its appropriates, the right, licence, liberty, privilege, and easement by means of right-of-way over, under, and through the said lands.

2. The City, its licensees, agents, servants, officials, and workmen may hereby at all times by day or night, at its will and pleasure, lay down and construct, operate, maintain, inspect, alter, remove, replace, reconstruct, and repair one or more pipe-lines together with all the works of the City useful in connection with or incidental to its undertaking, including, but without limiting the gener-

3. The City may hereby excavate, drill, install, erect, or cause to be excavated, drilled, installed, or erected on or under the said right-of-way, any fixture, well, foundation, pavement, or other structure or installation on or under the said lands.

7. In the event that the City abandons the pipe-line or pipe-lines the grantee may, if it so elects, leave the pipe or any part thereof in place within the said lands.

8. The City, performing and observing the covenants and conditions on its part to be observed and performed, shall and may peaceably hold and enjoy the rights, licences, liberties, benefits, and easements herein obtained without hindrance, molestation, or interruption on the part of the registered owners or any person claiming by, through, or under or in trust for the registered owner.

9. The City shall have the right to cut or trim any or all trees as may be necessary for the purpose of preventing interference with the works of the City.

10. The rights, privileges, and easements hereby obtained are and shall be of the same force and effect through intents and purposes as the covenant running with the land, and this instrument, including all the covenants and conditions herein contained, shall extend to and be binding upon and enure to the benefit of the heirs, executors, administrators, successors, entitles, and assigns of the registered owner of the said lands respectively, and wherever the singular or masculine is used it shall be construed to include the plural or the feminine or body corporate or politic, as the case may be, where the context or the party or the parties so require.
